Washrooms will be available at the event.

12. Why is this run supporting Pediatric Oncology for Vancouver Islands' Kids?

In 2010 KidsRun Victoria raised over \$12,000 in the event and an additional \$9,000 through team members that continued over to the annual Childrun at BCCH and presented a cheque for over \$21,000 to them. In 2011 we decided we would like our fundraising dollars to be used locally. Since 2011 KidsRun Victoria has raised over \$65,000, totaling \$77,000 in funds raised to support pediatric oncology. KidsRun was one of the greatest contributors to the pediatric oncology isolation room that opened in December of 2012. More recently, we were the main contributor in the purchase of a much needed monitor for pediatric oncology and a pediatric ventilator as well KidsRun has provided financial assistance to the parent family support program. We will continue to raise money for Pediatric Oncology in 2015
